## **The Prophecy of the Ruler** Micah 5:2

As we learn how God has worked we should learn how  
God can work through us

### **1. God has the means to accomplish His plan**

Through that which seems ordinary

Through that which seems small

Question: Can God work through you?

### **2. God has the motive to accomplish His plan**

He promised to send a Savior

He purposed the Savior for His glory

Question: Are you all about His glory?

### **2. God has the motive to accomplish His plan**

He sent One who will rule

He sent One who always has ruled

Question: Are you submissive to His rule?

Conclusion: Is God at work in you?
