## Being God's Best Adult Child

Genesis 45-50

In parenting and in being parented, attitude is everything!

### Have an attitude of care

1. Seek to know the situation of the parent
2. Seek to work in harmony with other members of the family
3. Seek to provide safety and care
4. Seek to express love and concern
5. Seek to maintain a parent's dignity

Conclusion:

Is it time for an attitude adjustment?
