

## House to House

### Acts 2:46

“So continuing daily with one accord in the temple, and breaking bread from **house to house**, they ate their food with gladness and simplicity of heart,”

### Definition:

- They met together beyond their times of collective worship in temple
- Sharing a meal was both a mark and a seal of friendship
- Home was a place of sincerity
- Home was a place of rejoicing

### Implications:

- We must take the faith home with us
- We should bring home with us when we come for worship
- We must find creative ways to find the “Home” experience
- What binds a person to the church is not programs, it is relationships

### What are you going to do?

- How can I use my home for the Lord’s purposes?
- How can we make others feel at home in our congregation?
- How can we make sure there is no spiritual difference between home and church?
- How can sincerity be insured?
- Where can we state?
