

August 12, 2018 Morning

Pastor Jesse Waggoner

Finish-Line Confidence

Philippians 1:6

You can be confident that Jesus will finish
changing you

1. His Word explains it

So remind yourself often

2. His ability performs it

So give up self-reformation

3. His work shows it

So mark every sign of progress

4. His promise secures it

So run back to the promise

Forget the past, participate in the present,
look to the future!
