

Restoring a Kingdom Daniel 9:1-19

We should employ Daniel's prayer for a kingdom in crisis

1. Approach God on the basis of His faithfulness (vs. 1-4)

Have a knowledge God based on revelation

Have a knowledge of self -based on observation

2. Admit Sin based on His righteousness (vs. 5-10)

Confession contrasts our sin with His perfection

Confession admits our sin to God and man

3. Acknowledge judgment based on our wickedness (vs. 11-15)

Disaster is our fault not God's

Disaster is God's warning to us

4. Ask for mercy based on God's character (vs. 16-19)

We cannot ask for mercy based on our record

We can ask for mercy based on who He is

Conclusion: Will you commit to pray for our "kingdom?"
