

Life after
FAILURE

Sept. 18, 2016 Morning

Pastor Jesse Waggoner

Failure of Principle

Exodus 32

Failure occurs when we surrender God's principles to gain human approval

1. Avoid compromise

We get too comfortable with others making decisions for us
We get too agreeable with those in rebellion
We get too defensive when we get caught

2. Operate on principle

God means what God says
God values obedience above worship
God expects confession and repentance

Live a life based on His Word!
