## **All Authority** Luke 20: 19-47

### 1. Don't limit His reach (vs. 19-26)

By assuming the secular isn't sacred

By assuming the sacred isn't superior

### 2. Don't limit His ability (vs. 27-40)

By assuming that God is in a box

By assuming that the miraculous isn't relevant

### 3. Don't limit His wonder (vs. 41-47)

By assuming we know best

By assuming we can fully know His ways

Conclusion: Set your assumptions aside - and see Him as He is
