

## Spiritual Leadership 1 Samuel 15:12-35

### 1. Leaders avoid distraction (12-14)

In what you may not want to do  
In what others want you to do

### 2. Leaders announce God's message (15-19)

Not less than God says  
Not more than God says

### 3. Leaders affirm a heart of obedience (20-31)

Obedience is what most honors God  
Disobedience won't be overlooked

### 4. Leaders address the real issues (32-35)

Finish what others do not  
Don't back down
