When the Answer is “NO”

2 Corinthians 12:7-10

1. When it sounds like God is saying “NO” (v. 7-9a)

He is really saying “I want you in a perfect place.”
He is really saying “I want you to live in grace.”
He is really saying “I want to display my
strength in you.”

So: Don’t take “No” as His answer

2. When it sounds like God is saying “NO” (v. 9b-10)

You should brag about your weakness

Because His power is more important
than your pain
Because His power is more apparent
than your pain

You should take pleasure in troubles

Because there is a purpose for our troubles
Because there is a plan for our troubles

So: Do make joy your goal

When it sounds like God is saying “No”
He is really saying “I love you.”
