Breaking the Ice:

Do you remember “fire drills” for you school days? Did you view them as valuable then? Do you view them as valuable now?

Exploration:

Read: *1 Corinthians 10:13 (This is a great verse to memorize)*

Note the third promise in this verse that God promises to provide a way of escape in temptation so that we will be able to bear it.

How does this promise encourage you?

What does it do to our potential excuses?

As with all promises we must know, believe and practice living out this promises. Make a list of way that you think (or have experienced) God providing a way of escape in temptation.

Some potential Bible Stories that show those escaping temptation (or not) that may shed light on the way of escape. See if you can identify what was (or should have been done) in these situations.

Genesis 39:6-13

Matt. 26:69-75

Acts 5:1-11

Bringing it Home

What steps can you take that will allow you to use the temptation escape route that God promises to supply?

Bottom Line

God always offers a way out of falling into temptation.
