Breaking the Ice:

Share with your group if you are an early, on time, or fashionably late person? Why do you think you are?

Exploration:

[Read: Joshua 2:1-15](#)

Why do you think Joshua sent the spies to Jericho? Do you ever imagine what a coming event will be like? Is that good or bad? How can it be an occasion for faith?

The spies did not expect to be found out but how did God use that for good? Can you recall and share a time when God turned something bad into something good for you?

In verses 10-11, Rahab reveals the fear of her people and her respect for the God of Israel. How does this show that “God got there first?”

Do you believe in your struggles that God is at work before you arrive at that moment? If so, how does that truth encourage you?

Read: *Joshua 6:21-25, Hebrews 11:30-31*

What was the key to Rahab and her family being saved?

Read: *Romans 10:17*

According to this verse what can you do to produce faith in God?

Together make a list of the opportunities we have to hear the Word of God.

How are you doing in taking advantage of these opportunities?

Bringing it Home

How can you help yourself and others be more committed to hearing God's work and listening to His Word?

Bottom Line

The more we are exposed to the Word of God, the stronger our faith will be.
