Session 5 - "The Treasure of God's Glory"

Getting Started

Think of a time when you were a child and you were "taken for granted" how did that experience make you feel?

Examining the Scriptures

Read 1 Samuel chapter 4

Note how all three parts of the story relate to how they thought of God.

Your video teacher mentioned three lessons from this story.

1. Never put actions ahead of heart (vs. 1-11)
2. Never put self ahead of worship (vs. 12-18)
3. Never put others ahead of God (vs. 19-22)

Discussion

How do take God's glory for granted?

How can we keep our view of self in check?

How can we put God ahead of others while at the same time valuing others?
