I Will Come Again
John 14:3

Jesus reassures you of His coming and your future

1. He has revealed a plan to you

A plan for His glory
A plan for His followers

2. He will remember you

He is now with the Father
He is now for you

3. He will remove you

By His personal action
By His eternal will

4. He will relocate you

From this sinful world
To the Father's house

Are you ready for His coming?
