

# EVERLASTING KINGDOM

Daniel's Babylonian Prophecies

July 17, 2016 Morning

Pastor Jesse Waggoner

## The Counterfeit Kingdom

Daniel 7:19-28

If all will one day serve and obey the King  
we should start now!

### 1. The enemy's kingdom

Devouring phase- past

Ten king phase- 1st half of tribulation

Little horn phase- last 3 1/2 years

Serve because trouble is on the way

### 2. The enemy's strategy

The enemy speaks against God's character

The enemy moves against God's people

The enemy acts against God's rule

The enemy will fall to God's judgment

Serve because help is on the way

### 3. The eternal kingdom

Will be given to God's people

Will be earthly and literal

Will be ruled by one King

Serve because the King is on the way

Jesus is coming- where are you servicing?
