

(Restoring a Kingdom)

Daniel 9:1-19

Main Idea

Model Daniel's prayer for a kingdom in crisis

Ice Breaker

1. When did prayer become your own conversation with God?

Discussion Questions

1. How does Daniel prepare before he goes before The LORD in prayer?
2. Who is Daniel speaking for as he prays?
3. How do you keep from viewing God as your personal vending machine or butler?
4. Based on your recent prayers, what concerns you the most now these days?
5. What are you talking to God about and how often does this take place?
6. How can you use these passages to enhance your prayer life?

Application

1. Sin always has consequences, and yet God is full of mercy. Take time this week to be praying for someone who has wandered from their fellowship with The LORD.

Bottom Line

Commit to be praying for the Kingdom of God and His people
