Bringing Up Children is Everyone's Job

Ephesians 6:4

Family Matters because it is God's methodology for producing godly people

Parents (and everyone else) are responsible to....

1. **Avoid pushing them away from the Lord**

Through unreasonable words, attitudes and actions

2. **Nurture them in the Lord**

Through your authentic example and intentional influence

3. **Direct them toward the Lord**

Through pointing everything back to God
(Deut. 6:4-9)

4. **Redirect them toward the Lord**

Through loving correction and counsel

You (and everyone else) must fit in God's program for the family
