

## The Creation of Man & Woman – Genesis 2:18-25

The completion of God's creation is seen in the union of man and woman

1. The first (and only at this point) not good thing (vs. 18)

Man being alone

Separateness from all others living things (vs. 19-20)

2. Woman created for a special purpose (vs. 18b)

Helper not just for man

A Helper to the man

3. Woman was created as a special gift (vs. 21-22)

There was connection – taken from man

There was difference – gender

There was elevation – made not from the earth

4. They were created for each other (vs. 23-25)

Pattern for marriage and family

Oneness is the point

Intimacy is the proof and reward
