

**Discussion guide for:  
"Discovering God's Direction"  
(Following Jesus session #18)**

**Opening up**

What key points in life should one seek God's direction?

**Observing:**

After reading the story of Peter and Cornelius in Acts 10, how would you describe their need for direction:

Five principles of discovering God's direction:

1. Go back to God's purpose
2. Pray always
3. Track the trends of His work
4. Expect the unexpected
5. Listen to His voice

**For discussion:**

Can you think of an example of one of these principles working in your life?

Which one do you have the most difficulty practicing? Why?

What area of your life do you currently need His direction?

Spend some time praying about your commitment to discover God's direction
