Pastor Jesse Waggoner

Gideon: An Unlikely Hero
The Battle is the Lord's
Judges 7:15-25

In order to experience God's victory, we must move away from a self-focus to a God-focused life

1. Move from obsession on our deficiency to His sufficiency (vs. 15)

Encounter God regularly
Worship God sincerely

2. Move from the paralysis of fear to progress in faith (vs. 16-18)

Sense where God is working and get there
Sense how God is leading and stay there

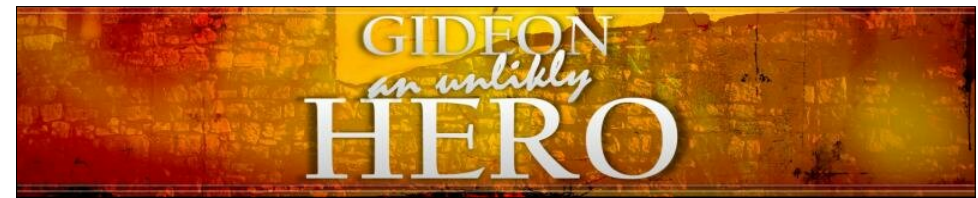

3. Avoid the methods of man and adopt the ways of God (vs. 19-20)

What "makes sense" often fails to work
What doesn't "make sense" is often God's leading

4. Reject praise for self and offer it to God

Learn from the failures of the past
Learn from the victories of God

Conclusion: Are you fighting your battles God's way?
