Pastor Jesse Waggoner

**Don't Quit!**  
Galatians 1:6-24

**WARNING:** Don't take a step back in your passion for following Jesus

**1. Don't quit because the gospel is everything**

Do not accept a deserted gospel  
Do not advance a different gospel  
Do not allow a distorted gospel

Be a student, Be a servant

**2. Don't quit because the gospel is from God**

It did come from a hostile witness  
It did come from God's plan  
It did come by God's revelation  
It did not come through human influence

Be open, Be ready

Don't take a step back, take a step forward
